FABER VINEYARD

233 Haddrill Rd, Baskerville

Harvest Seafood BBQ

Sunday 4 March, 12.00pm

Each year Vintage (or harvest) is the hard slog for winemakers and winery staff. Long days, hard work, little sleep and very little time off. But it is also a time of real excitement, the start of the (often) long process of turning grapes into wine. And there is no better way to celebrate the end of Vintage than a seafood BBQ!

At Faber their lawns are the perfect spot to relax outdoors with some good food and great wine. There will be plenty of our current release wines, and maybe even some samples of the 2018 wines in their infancy.

The event is run like a picnic, bring your friends, claim a spot and set up for the afternoon. You're welcome to bring your camping gear (rugs, chairs, tables etc.) and they will supply the rest! There is loads of shade under the trees, but they will also have plenty of table space under their marquees.

Full buffet style seafood BBQ and fantastic Faber wines from midday.

\$80 per person all inclusive, RSVP via email or phone. Get in touch early to reserve your spot!
